

DELAYS, EARLY CLOSINGS & SNOW DAYS

We recognize road conditions vary from neighborhood to neighborhood and ask parents to use their best judgment in choosing whether or not to transport their child to and from school.

If Fairfax Co. Public Schools are opening late or closing early due to road conditions etc. then Trinity Preschool will follow their lead and do the same. If Fairfax County Public Schools are closed due to inclement weather Trinity will close and these days will not be made up.

Parents should listen to local news broadcasts on TV or the radio for Fairfax Co. School closings, delays or early closings. Other sources for information about school closings or delays due to inclement weather are Fairfax County Public Schools' cable television station, or online at www.FCPS.com.

SCHEDULE CHANGES:

If Fairfax Co. Schools open **2 hours late**, then Trinity Preschool will adhere to the following class schedule: 11:00 – 12: 30PM. Lunch Bunch will be cancelled.

If Fairfax Co. Schools **close early**, then Trinity Preschool will begin dismissal at 11:00AM. Lunch Bunch will be cancelled.

Remember - If school is in session during inclement weather, carpool drop-off and pick-up will usually take place at the Sanctuary doors on the level driveway, where the pavement is less likely to be slippery due to ice or snow.
